Editing user accounts

You can modify user accounts in Cloud Manager by changing the cloud permissions associated with the account, enabling and disabling the notification report, and by changing the S3 cost bucket for detailed billing reports.

About this task

Password and user information must be changed in [NetApp Cloud Central](#).

Steps

1. In the upper-right corner of the Cloud Manager console, click the user icon, and then select **View Users**.
2. Select the menu icon at the end of the row and click **Edit User**.

3. In the User Settings page, modify the user account.
